19 January 1981

MEMORANDUM FOR: Acting Deputy Director for Administration

STATFROM:

Acting Director of Training and Education

SUBJECT: Office of Personnel Management (OPM) Request
for Training

REFERENCE: Letter to Chief, Information Science Center
from Assistant Director, National Security
and International Affairs, Office of Personnel
Management, dated 5 January 1981

1. In the referenced letter, the Assistant Director, National Security and International Affairs, Office of Personnel Management, has expressed an interest in the System Dynamics methodology taught by the Information Science Center. Specifically, they requested that three members of their staff be enrolled in the 19-30 January 1981 course. They also suggest that training for additional staff members may be requested at a later date. The 19-30 January course was full at the time their request was received; however, we are prepared to enroll their people in subsequent course offerings.

2. We have received on prior occasions an informal opinion from the Office of General Counsel that this type of support to other than Intelligence Community organizations presents no legal problems. The Agency is permitted to provide "specialized equipment or technical knowledge for use by any other federal department or agency" under the provisions of

STAT

SUBJECT: Office of Personnel Management Request
for Training

3. Your approval is requested for us to provide
System Dynamics training for the Office of Personnel
Management as described in the referenced letter.
